## RIIHAN309D – CONDUCT TELESCOPIC MATERIALS HANDLER OPERATIONS

Thank you for your query regarding one of our many courses and training sessions conducted at **Pro-Lift Training Services**.

Please find below information regarding **TELEHANDLER** Training and Assessing.

Training and Assessment of the “**TELEHANDLER**” is conducted over either 1 or 2 days depending upon prior experience with a Telehandler or similar machinery.

The cost for the 1 day session is **\$550** or **\$880** for the 2 day training session. All learning materials are included in this price.

**Payment is payable in advance** or by **Purchase Order** to confirm your booking.

The session typically runs from **8am** to **approximately 4pm**. It is required that participants arrive 15 minutes before to sign in and register.

We would ask you to pay particular attention to our **Terms and Conditions** and related policies which can be found at [www.proliftraining.com](http://www.proliftraining.com)

We are required according to **Work Place Health & Safety Regulations** to enforce the wearing of **Closed In Shoes** while on our premises for training.

Please contact us to discuss the best training option for you.

Kind Regards  
Craig Finucan
